• USAV Nationals (if team qualifies). The USAV Nationals is not included in the club fees. If a team qualifies it will be up to the team and its members to decide whether to accept the bid and incur additional fees related to this tournament.

• Packages are assigned to each team based on their competitive level, which is determined by the coaches at tryouts. The assigned package will be communicated with athletes and family members prior to the commitment deadline. This information, along with team placement, will be published on our website 24 hours after tryouts. While the packages are chosen at tryouts based upon the needs of each team, typically 14 and under are placed in package T (\$2,850) and 15U - 18U are typically placed in package S (\$3,700).
